🌐 <https://bit.ly/DayanaHazwani>

I am enthusiastic about using my academic background and hands-on experience in urban design, zoning regulations, and community engagement to contribute to innovative urban development projects. Passionate about creating sustainable and aesthetically pleasing urban spaces, I aim to enhance residents' quality of life. With a strong work ethic and a commitment to learning, I am eager to bring fresh perspectives to a planning team.

## Experience

### Majlis Perbandaran Kangar - Intern

October 2023 - February 2024

- Dealing with architects and clients for the construction project at Chuping Valley, Perlis
- Utilizing MapInfo, ArcGIS, and AutoCAD as alternative tools for locating land parcels and determining land use in Perlis, and for reviewing plans for projects applying for planning permission.
- Participated in OSC Meetings, Preparation of the Wang Kelian Development RKK and site visits to Padang Besar and Chuping Valley Industrial Are (CVIA)

### UiTM Puncak Alam - Bachelor in Town & Regional Planning
